AtYourGate

We make airport travel **safer** by empowering travelers and staff to **order food & retail** on their **personal device** and receive **contactless delivery** anywhere in the airport.

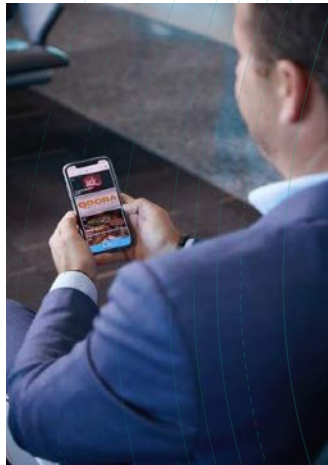

AtYourGate

How it works

Customer places order in the AtYourGate App

Concession operator receives the order

AtYourGate Brand Ambassador picks up the order

AtYourGate Brand Ambassador delivers the order to the customer

AtYourGate

Who Benefits?

Travelers

- Use own device to order
- Contactless Delivery
- Less choice (closed)
- Longer lines (social distance)

Flight Crews

- Meals delivered to plane
- More choice
- No need to leave plane (contact tracing)

Airport Employees

- No need to leave break room (safety)
- Order 30 minutes before break
